Certificate of Constancy of Performance

Page 1 of 2

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Post Tensioning Kit

Placed on the market under the name of

CCL Stressing Systems Ltd.

and produced in the manufacturing plant(s) at

**Unit 8, Millennium Drive, Leeds, West Yorkshire, United
Kingdom, LS11 5BP**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

ETA - 10/0107

are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

Page 2 of this certificate details the harmonised technical specification and product parameters and shall form a part of this Certificate.

This certificate will remain valid as long as neither the ETA, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body. This Certificate is uncontrolled when printed. To check the validity of this Certificate please visit www.ukcares.com or contact us on +44 1732 450000.
